Visit mylab.midwestlabs.com for sampling supplies or questions.

Or contact us at midwestlabs.com | 402.334.7770 | contactus@midwestlabs.com

SENDING SAMPLES

- 1 | If you do not have an account with us yet, please visit [MYLAB.MIDWESTLABS.COM](https://mylab.midwestlabs.com) to create an account. This is where you will submit paperwork to print off, view your reports and pay your invoices.
- 2 | A submittal form **MUST** be included with your samples.
- 3 | [MYLAB.MIDWESTLABS.COM](https://mylab.midwestlabs.com) and go to Submit Samples
- 4 | Choose Agriculture as your first sample type, and Soil as your second type.
- 5 | Fill out the required fields marked with an asterisk, i.e. grower, sample ID – how you have your soil bags identified, select your test (one of the above tests) and depth (0-6 inches).
- 6 | You can also add recommendations by clicking **ADD RECS**, choose your crop, yield goal, and previous crop, then click Done.
- 7 | Click **REVIEW ORDER**, if it will not allow you to check for the small orange exclamation points to click and see what information is missing or incorrect.
- 8 | Click **SUBMIT ORDER** and print off this page to put in the box with your samples.
- 9 | Reminder each sample must have 2 cups of soil.
- 10 | You do not have to use our Shipping Labels from the portal, but there is the option to print them off by clicking on Shipping Labels, making your selection and clicking print labels.
- 11 | Send your box of samples and paperwork to:
MIDWEST LABS | 13611 B STREET | OMAHA, NE 68144
