

CAMPUS VISIT OVERVIEW

Midwest Laboratories, Inc. opened its doors for business on May 15, 1975 in Omaha, Nebraska. Since then, we've expanded into a 14-building campus devoted to performing a wide variety of analyses in a highly-regulated environment, providing the most thorough and customizable data in the industry.

Our campus is located at 13611 B St Omaha, NE 68144, easily accessible off of 132nd street between Center and L Street. We accept samples Monday through Friday from 8 am to 4 pm with local drop off and a drop box at our main entrance for after hours.

ARRIVING FOR A TOUR

A signed Non-Disclosure Agreement and Safety Glasses will be required for all visitors attending a tour. *If you wear glasses additional safety glasses are not required.*

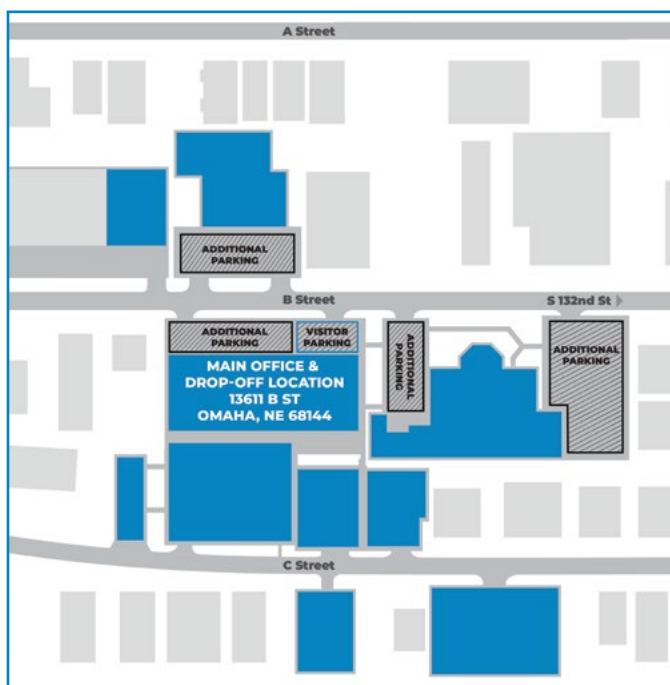

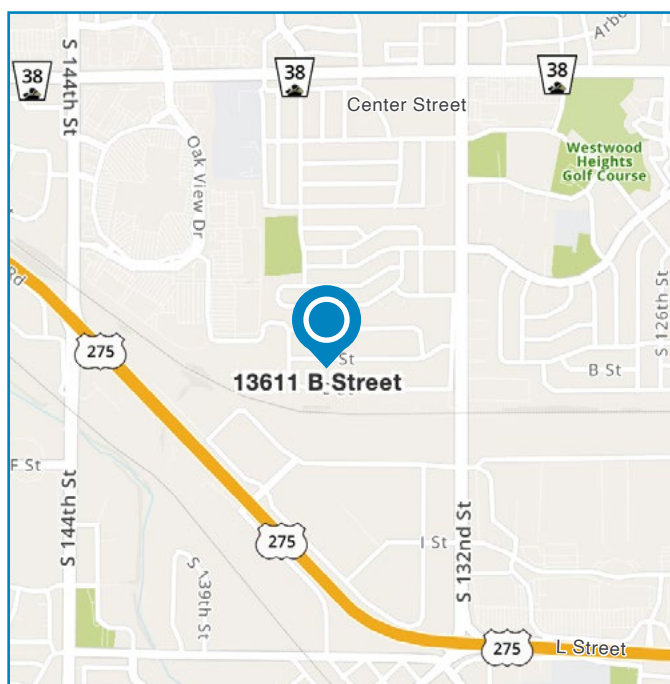

ATTIRE

Closed toed shoes and pants are required to attend a tour of the Midwest Labs campus. Midwest Labs can provide a lab coat to protect clothing while in the lab. Indoor and Outdoor walking will be required for a full campus tour. Please keep this in mind and dress accordingly.

PARKING

Visitor parking is available in the east side of the parking lot at 13611 B street Omaha, NE 68144. Please enter through the main door and security will check you in. A guest badge will be provided.

All guests and visitors are required to be accompanied by a Midwest Labs employee or security guard. If you need access to an alternative building for supplies, cleaning, or inventory please check in at 13611 B street and security will escort you to the correct location.
